Traffic Management of the Future

Welcome from TMAA

I am thrilled to invite you to the 2024 TMAA National Conference on "Traffic Management of the Future". You'll hear from industry leaders and suppliers on innovative new tools and

techniques to advance traffic management while keeping our roads safe.

The conference is also a chance to reconnect with peers and honour the dedicated individuals that make our industry shine. We will celebrate with ten Excellence Awards. With an exciting program of speakers, exhibitors and networking events, this year's conference promises to engage, educate and inspire.
